

WE NEED YOUR INPUT!

YOU'RE INVITED TO PARTICIPATE IN THE PLANNING PROCESS FOR THE 2014-2037 REGIONAL TRANSPORTATION PLAN (RTP).

The RTP is a long-range planning document that examines all modes of transportation in the YMPO region over the next 23 years and prioritizes needed improvements. The RTP will help area governments fund and complete projects to help you get where you need to go.

Please come to the second round of public meetings so you can meet the study team, learn about how the plan is being developed and offer your input regarding priorities for multimodal transportation systems serving the Greater Yuma County region. You may stop by at any time to view maps and displays, and share your thoughts and opinions with team members.

AREAS OF REGIONAL FOCUS DISCUSSIONS

Group discussions focusing on regional topics are an important part of the RTP process and are being planned for April 16, 2013, from 1:30 to 4 p.m. at the YMPO offices. Please join us to discuss the following topics:
