

WE NEED YOUR INPUT!

YOU'RE INVITED TO PARTICIPATE IN THE PLANNING PROCESS FOR THE 2014-2037 REGIONAL TRANSPORTATION PLAN (RTP).

The RTP is a long-range planning document that examines all modes of transportation in the YMPO region over the next 23 years and prioritizes needed improvements. The RTP will help area governments fund and complete projects to help you get where you need to go.

Please come to the first round of public meetings, so you can meet the study team, learn about how the plan will be developed and offer your input regarding a multimodal transportation system for the greater Yuma County region.

Both meetings will be identical in content. You may stop by at any time to view maps and displays, and share your thoughts and opinions with team members.
