Re: FY 2022-2026 YMPO Transportation Improvement Program Amendment #6

Dear Mark,

YMPO is requesting the FY 2022-2026 Transportation Improvement Program (TIP) Amendment #6 approved by the YMPO Executive Board on January 26, 2023, be approved by the Governor, or designee, and included in the State Transportation Improvement Program (STIP). This amendment includes the following changes:

At the request of the City of Yuma and Arizona Department of Transportation (ADOT) a request to Amend the City of Yuma, Highway Safety Improvement Program (HSIP) project with 5 City Locations - Upgrade Pavement Markings on 5 Arterial Streets.

The change for FY 2023 would change the description from "Five Citywide Locations, Upgrade Striping to six inches wide" to "Five City of Yuma Locations, Upgrade Pavement Markings on Five Arterial Streets." In addition, the construction phase will be moved from FY 2024 for FY 2025, with the same description change as mentioned earlier.

Revised Project Schedule:

Preliminary Engineering/ADOT - FY 23		Construction - FY 25	
HSIP	\$136,500	HSIP	\$568,890
Local Match	\$0.00	Local Match	\$0.00
Total	\$136,500	Total	\$568,890

An Air Quality Conformity Analysis is not required for the City of Yuma's Project in the FY 2022-2026 Transportation Improvement Program.

If you have any questions, please call our office.

Sincerely,

PAUL D. WARD

for

Crystal Figueroa
Executive Director
