YMPO STAFF PRESENT

Senior Planning	Charles Gutierrez
Executive Director	Crystal Figueroa
Administrative Assistant	Blenda Dale

1. Call to Order and Declaration of Votes

The meeting was called to order by Chair Chris Young at approximately 9:02 A.M. The City of Yuma declared votes as Chris Young 2, Susan Cowey 2, and Jennifer Albers 1 votes. Dave Wostenberg declared a Proxy for Joshua Scott and Frank Sanchez

2. Title VI of the Civil Rights ACT of 1964

A brief Title VI Nondiscrimination Notice to the Public was read by Charles Gutierrez.

3. Call to the Public

There were no announcements from the public or TAC members.

4. Approval of Minutes

Charles Gutierrez stated the minutes are as presented. Mark Hoffman motioned for the approval of the March 10, 2022 minutes, and Jennifer Albers seconded. The March 10, 2022 minutes were approved.

5. YMPO Executive Director's 1st Report to the TAC

The Executive Director was having technical difficulties, so the report will be deferred to the May TAC meeting.

6. Rail/Heavy Freight Study Update

Chris Joannes made a presentation for the [Organismo Promotor De Desarrollo Economico] OPRODE San Luis Rio Colorado and San Luis local stakeholders. Chris Joannes thanked those who commented on working paper #1. The final version is coming soon. Joannes said they have developed an initial preliminary alignment and screening process at high levels and will present to TAC upon completion. They are doing a second round of stakeholder interviews. Mr. Joannes said the presentation in San Luis was received in a positive demeanor and that Kimley Horn is trying to foster relationships with future partners. Mr. Gutierrez asked about the South of the Border partners on the first stakeholder meetings versus present and how this list differs from last time. Mr. Joannes said the Mexican stakeholders at the federal level are "sluggish"; however, the local municipality and the state of Sonora stakeholders are much more positive. Mr. Joannes said they reached out to a large audience with the San Luis presentation, and he will follow up with Jenny Torres to ensure they (KHA) interview the stakeholders she had mentioned to him at the last TAC meeting.

7. Highway Safety Improvement Program FY 2025/2026

Mike Blankenship, Greenlight TE presented the prospective Highway Safety

Improvement Program (HSIP) projects that were developed using the crash details from the AZ Crash Data. Mr. Blankenship said the draft applications are due at the end of May to ADOT TSS. The final applications are due 8/1/2022. The City of Yuma has six HAWK locations still on the list and will bundle them together. These projects include flashing yellow left turn intersections, where four fatal accidents have occurred, which are good candidates for this upgrade. ADOT requested HAWK guidelines and pedestrian traffic counts. Yuma County has three locations for traffic lights, where the signal analysis has been completed and stage three completed. Dave Wostenberg, CIP Manager, Yuma County asked what kind of strips were being considered for shoulder widening. Mr. Blankenship said they were rumble strips on shoulder widening and centerline. Mr. Blankenship also said the town of Somerton had one fatal accident and some serious injuries at County 15th and Ave D. Mr. Blankenship will follow up with Sam to lower the curve and or install flashing beacons at this intersection.

Mr. Young said he would do a conference call with Mike Blankenship and Scott Nodes to discuss further issues with the Flashing Yellow lights that are being proposed in the City of Yuma.

Mr. Blankenship said US95 had three off-road departure fatalities and are moving forward with median and an additional signal at Ave C and US 95.

Bruce Fenske, Southwest District ADOT said they no longer need HSIP funding and have no applications for this round.

Mr. Gutierrez mentioned the importance of providing the In-Kind match forms for any work done which can receive Federal funding.

8. City of Yuma 16th St Project

Susan Cowey, City of Yuma, said the developer who was going to help financially with Right of Way for the 16th Street project is no longer responding. Ms. Cowey suggested the funds for this project be moved to Ave 7E and 40th Street and 40th to Avenue E as a HURF Exchange. Mr. Gutierrez said these funds would be available once the project is relinquished, YMPO would like to present in further detail and recap our ten-year funding at a future TAC meeting of the STBG flow of funding by agency.

Ms. Cowey said she would send a list of what has been done in the city in past years, Jennifer Hobert, ADOT LPA, sent this over to her at request. Mr. Gutierrez said he will make sure this is an agenda item at the next TAC meeting. Dave Wostenberg said 16th Street was a priority in the past with the Board of Supervisors and the Council and that projects had to be pushed out in time for the wellton projects and the County 3E Bridge, so Mr Wostenburg stated that Frank Sanchez wanted to know if the 40th Street project was the highest priority on the City's List? Mr. Young acknowledge Mr. Wostenburg with a yes, it is a priority. Mr. Young elaborated to the TAC that the council acknowledges that the 16th St project is a high priority. It is just at the present time the Right of Way (ROW) location is an issue and moving the 69Kv possesses a prohibitive cost at this time.

9. YMPO FY 2022-2026 TIP Amendment #2

Mr. Gutierrez presented the requested changes for City of Yuma and Yuma County. Mr. Hoffman asked if the amendment presented was to include the 16th St project. Mr. Gutierrez said to ask the city if they are ready to remove the 16th St project from the TIP, if they are ready. If they are not ready then, we can on this project omit it from the amendment and bring it back next month of a couple months if needed.

Mr. Young said they were ready to remove the 16th Street project and reprogram those funds to the 40th Street projects; however, Mark Hoffman made a statement that was it is his understanding that that the reprogramming of the funds would be addressed in a future meeting and discussions. Jennifer Albers asked the Chair if the city should wait until next month, and Mr Young exclaimed that would be my request.

Jennifer Albers made a motion to approve the TIP Amendment as presented with the exclusion of the City of Yuma's 16th Project.

Ms. Cowey Seconded the motion

Motion was passed unanimously.

10. YMPO and ADOT

YMPO and ADOT staff will have the opportunity to update any other business that is or was not covered in the previous agenda items.

- a. YMPO Grants
- b. ADOT MPD Update

Mr Gutierrez said the Obligation Authority (OA) rate has changed approximately 4%. YMPO is no longer pursuing the RAISE Grant. San Luis and Yuma County are pursuing the RAISE Grant and asked for support from member agencies in this endeavor.

Mr. Hoffman said 2023-2027 Draft Construction program will be approved on May 20, June 2 a study session will address the public comments, and approve the 5-year 2023-2027 Construction program on June 18.

The Border Master Plan consultant, HDR and the Program Manager Mark Sanders from the P3 International Office have finished the stakeholder list, the communication plan, and the project website. A TAC meeting will take place at the beginning of May.

Mr. Hoffman also said the Long-Range Transit Plan is currently in procurement process. A Kick-off time anticipated is early June.

11. In-Kind Match Forms

Mr. Gutierrez reminded TAC members that all YMPO business that any member or staff does for YMPO in any form (i.e., read, comment, meetings), YMPO will be able to capture portions, or all, of their time as 'soft' match for those YMPO programs.

This item is on the agenda for information and discussion only.

12. TAC Federal Aid Program

Mr. Gutierrez suggested to forego this agenda item until next month so that he may provide more in-depth information.

13. TAC Status Report

Member agencies had the opportunity to report the status of their projects (Local or Federal).

YMPO SUMMARY AGENDA ITEM #9
Surface Transportation Block Grant - 16th St Project

DATE: November 8, 2021

SUBJECT: Surface Transportation Block Grant - 16th Street Project

SUMMARY:

The YMPO Transportation Improvement Program (TIP) FY 2022 – 2026 was submitted to ADOT Governor's designee and successfully accepted on August 30, 2021. Since then, two (2) amendments were necessary., and today, at the request of the City of Yuma a request to remove the FY 23 - YU-23-10D and the FY 24 YU-23-10C from the TIP.

The City is requesting the funds go to two other projects that the city will present in further discussion.

The STBG funds are currently programmed for this project. The project was to receive the STBG funds, do a Highway Users Revenue Fund (HURF) Exchange for the 16th Project. These funds are regional funds and when a project does not move forward to design or construction, traditionally the funds go back to the YMPO Ledger to be reprogrammed with a recommendation of the TAC to the Board and final approval by the Executive Board.

ACTION NEEDED:

A motion to recommend remove the 16th Project from the current YMPO FY 2022-2026 Transportation Improvement Program (TIP).

YMPO SUMMARY AGENDA ITEM #10

YMPO FY 2022 - 2026 TIP Amendment #3

DATE: November 8, 2021

SUBJECT: YMPO FY 2022 - 2026 TIP Amendment #3

SUMMARY:

The YMPO Transportation Improvement Program (TIP) FY 2022 – 2026 was submitted to ADOT Governor's designee and successfully accepted on August 30, 2021. Since then, two (2) amendments were necessary.

Reprogramming of FY 2023 Funds
STBG: \$943,000

Reprogramming for FY 2024 Funds
STBG: \$1,000,000

In the FY 2024, the YMPO Transportation Improvement Program (TIP) was over-programmed by \$1,000,000 which we borrowed against the YMPO FY 2027 STBG Apportionment. The Removal of the 16th Project will make the YMPO Ledger STBG Fiscally Constrained and not over-programmed.

A TIP Amendment is not necessary at this time, but if the TAC is ready to program the funds, a Motion must be made for programming of the funds.

ACTION NEEDED:

A motion to recommend approval of the FY 2022 – 2026 TIP Amendment #3 changes to the Executive Board for inclusion in the AZ STIP.

YMPO SUMMARY AGENDA ITEM #11

YMPO Regional Coordination Plan

DATE: May 5, 2022

SUBJECT: YMPO Regional Coordination Plan

SUMMARY:

The YMPO is developing a Mobility Management Program which Jesus R Aguilar (JR), Mobility Manager, is currently in the infancy stages of developing the program. There are core functions the FTA 5310 Program (Enhanced Mobility of Seniors and Individual with Disabilities) requires for the Regional Mobility Manager to complete.

As the Arizona Department of Transportation (ADOT) Transit section is in charge of the State Program for the 5310 Program which the Regional Mobility Manager is the Liaison for the State of Arizona and the providers of the program at a regional program.

One of the core functions for the MPO Mobility Manager is the Regional Coordination Plan. YMPO Staff will present the Regional Coordination Plan and the 5310 Program requirements for the region for the Mobility Management Program in the Yuma MPO region.

In Conclusion, the YMPO is bringing the Regional Coordination Plan (YMPO RCP) to the TAC as a notification of a program that the TAC used to be an integral part of. The YMPO TAC used to read and rank providers for the program. As the state developed the program, the mobility managers across the state in collaboration with the state and providers have taken the role of ranking the projects.

ACTION NEEDED:

No Action is required, only notification.
