**Re: YMPO 2022-2026 Transportation Improvement Program Administrative Amendment #23**

Dear Jennifer,

Yuma Metropolitan Planning Organization (YMPO) is requesting the FY 2022-2026 Transportation Improvement Program (TIP) Administrative Amendment #23 to be included in the State Transportation Improvement Program (STIP).

This administrative amendment increases the federal and non-federal funding for the Shared Pathway at the West Main Canal from Avenue B to Avenue C, CRP project, by no more than 7.1% of the project cost.

The remaining balance of CRP funds will be used to cover the federal increase of \$37,915, and the local match will also increase to \$34,736. The new total project cost is \$609,403.

## **YMPO FFY 2022-2026 TIP Change**

The table below shows the project name and description corrections, which are highlighted in bold letters. Projects in red text will be removed.
