## **ADDENDUM NO. 1**

Yuma Metropolitan Planning Organization (YMPO)  
Comprehensive Safety Action Plan (CSAP) – Request for Proposals

### **Purpose of Addendum**

This Addendum is issued to provide a Question and Answer (Q&A) clarification for the above-referenced Request for Proposals (RFP).

YMPO received a question prior to the deadline for inquiries; however, at the time it was believed that no questions had been received. In the interest of maintaining fairness, transparency, and consistency among all prospective proposers, YMPO is issuing this Addendum to formally incorporate the question and response clarification.

The attached Q&A Matrix is hereby incorporated into YMPO website and shall be considered in the preparation of all proposals.

### **Proposal Submittal**

All other terms and conditions of the RFP remain unchanged. Proposals shall be submitted in accordance with the original schedule.
