YMPO INFORMATION SUMMARY for Agenda Item 5

Comprehensive Safety Action Plan Proposals

DATE: May 27, 2026

SUBJECT: Comprehensive Safety Action Plan Proposals

SUMMARY:

On March 26, 2026, YMPO released the request for proposal (RFP) to develop a Comprehensive Safety Action Plan (CSAP) in the YMPO region. Excluding the City of Yuma, which is currently conducting a separate safety study.

The RFP was emailed to a list of consultants, advertised in local newspaper, and posted on the YMPO official website.

The deadline for consultants to submit proposals was April 23, 2026. YMPO received two proposals from High Street Consulting Group and Greenlight Traffic Engineering. TAC members received the proposals for review and were asked to evaluate and rank them by April 30, 2026. The scores were used to assist the TAC in the consultant recommendation process.

Due to the competitive nature and close scoring of the proposals, the TAC, at its May 14, 2026, meeting, determined that consultant interviews with Greenlight Traffic Engineering and High Street Consulting Group would be conducted as part of the preferred consultant recommendation process for the Comprehensive Safety Action Plan (CSAP). Following completion of the interviews, the TAC Interview Sub-Committee will provide its recommendation to the full TAC for consideration.
